Electronic Filing

Re: Docket Nos. 02-33; Notification of Permissive De-tariffing of Wireline Broadband Internet Access Transmission Service by West Central Telephone Association (Study Area 361501)

Pursuant to the Commission's Wireline Broadband Order, West Central Telephone Association hereby provides notice of its intent to discontinue offering wireline broadband Internet access transmission service on a tariffed basis. Effective January 1, 2017, West Central Telephone Association plans to offer wireline broadband Internet access service on a permissive de-tariffed, common-carriage basis.

Any questions regarding this filing may be directed to Pamela Hintz at (651) 621-8535 or via email at phintz@otcpas.com

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chad Bullock'.

PO Box 304
Sebeka, MN 56477-0304

CC Docket No. 02-33

West Central Telephone Association (the “Company”) hereby provides notice that it intends to cease offering wireline broadband Internet access transmission service on a tariffed basis. Effective January 1, 2017, the Company will begin offering wireline broadband Internet access transmission service on a Title II, common-carriage, permissive de-tariffed basis pursuant to paragraphs 90 and 94 of the Commission’s Wireline Broadband Order.¹ The geographic areas affected by this notice are West Central Telephone Association’s exchanges where wireline broadband Internet access transmission services are technically feasible.

Today, this service is provided to West Central Telephone Association’s ISP division. The ISP purchases wireline broadband access transmission service for use as a wholesale input to its broadband Internet access services, which are sold by the ISP to residential and business customers. End user services will not be affected by the discontinuance of the tariffed offering by the Company. As stated in the attached customer notice, West Central Telephone Association will continue to offer existing ISP customers wireline broadband Internet access transmission service pursuant to current rates, terms and conditions until the end of their current term or upon replacement with a Broadband commercial agreement. West Central Telephone Association’s rates, terms and conditions for its permissively de-tariffed wireline broadband access transmission service will be available at its office located at 304 Frontage Road, Sebeka, MN 56477 and on its website at www.wcta.net.

¹ See *Appropriate Framework for Broadband Access to the Internet over Wireline Facilities, Universal Service Obligations of Broadband Providers*, CC Docket No. 02-33, WC Docket 05-271, Report and Order and Notice of Proposed Rulemaking, 20 FCC Rcd 14853 (2005), FCC 05-150 (Rel. Sept. 23, 2005), *Wireline Broadband Order*.

Certificate of Service

Re: CUSTOMER NOTICE OF CHANGE IN DSL SERVICE

Dear Valued Customer:

Our records indicate that West Central Telephone Association is currently purchasing wholesale wireline broadband Internet transmission services from West Central Telephone Association pursuant to the terms of its tariff. This letter is to inform you that West Central Telephone Association will no longer offer such DSL transmission services pursuant to Tariff effective January 1, 2017. On and after January 1, 2017 services will be made available to you on a common-carrier, non-tariffed basis.

West Central Telephone Association's rates, terms and conditions for its non-tariffed wireline broadband Internet access transmission service can and will be available at its office located at 304 Frontage Road, Sebeka, MN 56477 and on its website at www.wcta.net.

The actions described above are taken in accordance with the FCC's Report and Order (FCC 05-150) released September 23, 2005 in Docket No. 02-33. In the order, the FCC determined that facilities-based wireline broadband service providers could offer their services on a common-carrier, permissively de-tariffed basis.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chad Bullock', is written over the word 'Sincerely,'.
